

MARCIE WALKER

A woman-owned business founded in 2016, Marcie Walker LLC focuses on holistic wellness through brain-based coaching and body-centered hypnotherapy. As a Certified Clinical Hypnotherapist and Certified Executive Leadership and Development Coach, Marcie Walker helps people own their circumstances and take control of their lives by providing practical tools to relieve stress, stop suffering, and find solutions.

With specialties in therapeutic imagery, trauma resolution, and hypnosis for immune disorders, she uses hypnosis to help change lifestyles, reset stress hormones, and improve focus. Marcie also works with executives and leaders to create and cultivate cultures that address the physiological and psychological needs of their teams.
